NCCC President's Message

June 2024

Summer has arrived as well as hurricane season in Florida - hoping there are none that come my way. Across the nation, events are ramping up so hopefully you can attend a few. I always enjoy the social part of the events as much as the competition.

The Joplin convention is over - thanks 4 States Vettes for a great time. Thanks also to Rene, we had lots of coverage of each day's events on the Members Only Facebook site. Congratulations to the 2023 Champions!

At the September meeting we will get to hear more about the 2025 convention in The Dells in Wisconsin hosted by the Midwest Region.

We have some work to do. The only income NCCC has is from membership dues and our membership numbers have not changed very much. On the expense side what we are paying out is substantially more than our income. Below are some cost reduction/savings suggestions to consider in lieu of asking for a dues increase. Your club and region need to discuss the ideas below or other options to consider.

- Eliminate membership cards
- Eliminate National and Regional patches
- Change national meetings to 3 a year instead of 4
- Change BlueBars to 3 a year instead of 4
- Going forward new clubs must be 100% NCCC members

Any change to the dues or the items listed requires a vote from the membership. The following suggestions are for your consideration. We need to talk about these items at the September meeting. If you have questions, please contact the Treasurer or me and we will be glad to help.

That's all I know. Enjoy the summer and events!

Deb Murphy
NCCC President
