

The CCI Holiday Committee needs your help in seeking donations for our Annual CCI Holiday Auction held during our CCI Holiday Party on Tuesday, December 17. The auction supports the CCI Charity account which goes towards supporting several charities each year.

We are currently seeking donations of auction items that can help attract a diverse group of bidders. Here are some suggestions for items that could be included:

- **Gift Baskets:** Curate themed baskets (gourmet foods, spa items, car products, local products, etc.)
- **Experience Packages:** Offer experiences like cooking classes, wine tastings, or adventure outings.
- **Gift Certificates:** Local restaurants, shops or services are always popular
- **Arts and Crafts:** Original artwork, handmade items or crafts by local artisans.
- **Tickets:** Passes to local events, concerts or sporting events
- **Memberships:** Memberships to local museums, zoos or fitness clubs
- **Unique Items:** Consider donations that showcase your business or unique talents such as custom creations or signed memorabilia.

If you are interested in donating or know of someone or a business who may be, please let us know and we can pick up the item(s) or provide you with a drop off location. Thank you for considering this opportunity to help support the CCI Holiday Auction!

Thank you!

The CCI Holiday Committee
